Summary

I'm an innovative and results-driven Full Stack Engineer who loves architecting scalable serverless solutions and building rock-solid back-end systems. With expertise in AWS Lambda, Node.js, TypeScript, React Native, and PostgreSQL, I craft mind-blowing cross-platform applications that deliver unforgettable user experiences. Having worked with Abhi (YC S21), Coeus Solutions, Conovo Technologies, and Amco IT Systems, I have a knack for delivering cutting-edge mobile applications while ensuring seamless user experiences. Let's connect and dive into how I can bring my passion and expertise to your next exciting project.

Experience

Full Stack Engineer

Abhi (YC S21)

Oct 2022 - Present (9 months)

Passionate Full Stack Engineer at Abhi Pvt Limited specializing in AWS Lambda, Node.js, TypeScript, React Native, and PostgreSQL. Skilled in architecting scalable serverless solutions, building robust back-end systems, and creating stunning cross-platform applications. Collaborative team player with a drive for innovation and staying at the forefront of technology.

React Native Developer

Coeus Solutions

Jan 2022 - Oct 2022 (10 months)

As a React Native Engineer at Coesu Solutions, I worked on creating cutting-edge mobile applications, specializing in React Native development, NFT integration, and payment gateways. I was committed to delivering exceptional user experiences through innovative solutions.

React Native Developer

Conovo Technologies

Feb 2021 - Jan 2022 (1 year)

Experienced React Native Engineer at Conovo Technologies, skilled in React Native, React.js, Node.js, MongoDB, and server deployments. Developed robust mobile and web applications, ensuring seamless user experiences. Passionate about delivering innovative solutions

React Native Developer

Amco IT Systems Inc.

Dec 2019 - Feb 2021 (1 year 3 months)

Experienced React Native Engineer at Amco It Systemts, skilled in React Native, React.js, Node.js, MongoDB, and Jest. Developed robust mobile applications for cross platforms, ensuring seamless user experiences. Passionate about delivering innovative solutions
